

## **REMARKS**

In response to the restriction requirement set out in the Office Action dated August 28, 2006, applicant elects the invention of Group I, claims 1-5, without traverse.

Claims 1 and 3 have also been amended to delete the “overmolded” recitation in claim 1 and add that limitation to claim 3 in a more positive form. It is believed that the amendments place the claims in better condition for examination.

Favorable consideration is respectfully requested.

Respectfully submitted,
